5th Grade Supply List

Classroom supplies are a very important part of your child's school year. These supplies are used daily. It is very important that your child has the needed tools to do his/her job during the school year. While the local merchants sell fancy, cool, and often expensive tools, your child requires only the basic supplies. Please save the "cool" supplies for home and **send the basics to school**. The following is what your child will need as a fifth grade student.
