

August 24, 2015

Dear 5<sup>th</sup> grade Enrichment Parents,

This is a note to let you know about the Archeology Field Trip for the 5<sup>th</sup> grade Enrichment students.

The trip is to Kampsville, Illinois on **Sept 10-11**. We leave before school from Flora Elementary at **7:10a.m.** on Thursday, September 10<sup>th</sup>. We will arrive home on the 11<sup>th</sup> before school is out and your child may come home by their normal transport. (However, they usually have a lot of heavy bags so if it is possible to have someone pick them up at school, please try.) We usually are home by about 3:05.

Please understand the cost of the trip is \$100 per student. I need you to pay by Sept. 8<sup>th</sup>. You can make the checks out to Flora Unit #35 Schools. If you feel this amount is a hardship, please let me know and I will research other options. Some students have a little money in their accounts they may use. However, we usually need all of their funds to help with the larger trips in Junior High. I want every child who has a desire to go to participate in this opportunity.

This is a wonderful learning opportunity and something the enrichment students remember throughout their educational experience. We will be hiking, making fire, flint knapping, weaving, harvesting clay, making our own clay pots, and other activities learning about past cultures. There is more information about Kampsville on the [floraschools.com](http://floraschools.com) enrichment webpage.

Please fill out the paperwork and send back to school as soon as possible. If you have any questions feel free to call me  
662-2014 or home 843-7183.

Thank you

Christina Krutsinger
