Children are our most precious possession.

November 2015

School Board Members Day

November 15, 2015 has been designated as School Board Members Day in Illinois and Flora is joining other districts across the state to thank our Board members for their commitment and contributions to our public schools. School board members serve countless hours working to make public education the best it can be for every child. They develop policies and make tough decisions on complex educational and social issues that affect the entire community and the individual students in our district.

Preparing today's students to be productive citizens and leaders of tomorrow is a tremendous task. As elected officials, school board members are the voice of their communities, serving first and foremost in the best interest of our schoolchildren.

We proudly join educators and community members in saluting these education advocates as they provide vision and leadership for student achievement, academic programs, district funding, and school facilities. Their service ensures that decisions about local public schools are made by those most familiar with the needs of our community's children and families. These dedicated individuals deserve recognition and thanks for their unfailing commitment to the continuing success of our students now and in the future.

Although the tireless work of our board members often times goes unnoticed and unrecognized, I encourage you to make a special effort to tell each school board member that his or her hard work is noticed and very much appreciated!!

Thank you to all of our school board members for everything you do for our school district and students!!

District Veterans' Day Program-The Flora School District will once again be honoring the service and dedication of our veterans at our annual Veterans' Day program on November 10th. There will be a breakfast at 8:30 a.m. in the Flora High School Commons for veterans and their families. The breakfast will be followed by a short program beginning at 9:15 a.m. in the Flora High School gymnasium that will be open to anyone in the community that would like to attend.
