

Mr. Plumlee's Classroom Expectations

1. **Respect Others** – In this classroom, we will give and expect respect to and from every member of faculty, administration, staff, and student body. It's simple: treat others as you would like to be treated.
2. **Be On Time** – You are expected to be in the classroom and in your assigned seat when the bell rings. If you are not in your assigned seat when the bell rings, you will be marked tardy. A pass from the office will be required from the office if you are not in class when the bell rings.
3. **Be Prepared for Class** – Bring your textbook, binder, agenda book, paper, and writing utensils to class. If you have to return to your locker for materials, you will be marked tardy.
4. **Class time is to be used appropriately** – Students are not to work on other homework during class. You are not allowed to line up at the door before the bell rings. Stay in your seat.
5. **Students will do their own work** – Any student who is caught cheating on a test or assignment will receive a zero for each instance and receive a detention. The plagiarism policy as detailed in the agenda book will apply in all cases.
6. **Only clear bottled water will be allowed in my classroom** – All other food and drinks are prohibited. Bottled water will be allowed as long as I do not have to pick up bottles that were left in the classroom.
