North American Lighting, Inc. Scholarship for Excellence

This is a new scholarship sponsored by North American Lighting, Inc. in the amount of \$1,000.00. The scholarship will be awarded each year for the fall semester beginning with 2007. The following criteria has been established by NAL for this scholarship:

- 1. Candidate will be working towards a technical or business related degree*
- 2. Candidate will have a 2.5 GPA or above.*
- 3. Candidate will submit at least two letters of recommendation from school administration.*
- 4. Candidate is to send a letter of application outlining their financial need and a cover letter expressing why an advanced education is important to them.*

The Flora Academic Foundation will review the applications and selections based on the criteria listed above. The Foundation will then forward the top five or six candidates to NAL along with their application and cover letter. NAL will review these applications and select one recipient and one alternate recipient.

A check will be issued to the college that the candidate will be attending in the fall and will be deposited into their account. If the student fails to enroll or attend during the fall semester, NAL will award the scholarship to the alternate candidate.
