

November 2010 Newsletter

Lincoln School

Dear Parents,

I am so proud of all our students here at Lincoln School. The students showed the "**Great Character Really Does Make the Play!**" I enjoyed seeing all the smiling faces bringing their earned football tokens to the office for the weekly drawing. Throughout the second quarter, we will continue to focus on character building traits. We will be looking for some "Terrific Turkeys" throughout November. Students will need to complete all assignments on time, put forth great effort, and maintain a positive attitude in order to earn a turkey for our weekly drawing.

I would like to congratulate our 5th grade band students on a fabulous job in both the Flora and Louisville Parades. The students worked hard to learn the proper marching techniques and to play their instrument at the same time. What an accomplishment! I was very proud of each of the students. I would also like to congratulate Ms. Dowden on the wonderful performance. Our students are very fortunate to have such an incredible band instructor. WAY TO GO ALL OF YOU!!

The Flora Academic Foundation will be having their annual Radiothon in the FHS Commons on November 4th at 6:00-10:30. I would encourage you to come out and support the Foundation. We will continue to collect coins for our FAF Coin Drive through November 2. The classroom that collects the most money will earn a party! Our students greatly benefit from the projects and field trips made possible by Academic Foundation.

Lincoln is certainly full of reading stars! I was so proud of all the students that met their Accelerated Reading goal. These students were given an extra recess for their hard work. Please encourage your child to read, read, read! We are also working to be a part of the 100 point club. Many of our students are halfway there already!!

We would like to thank all of you for attending Parent-Teacher Conferences. It is important that your child understands the importance that you place on his/her education. If you were unable to attend and would like a conference, please contact the office to schedule an appointment.

Midterm is Friday, November 12. All students will receive their midterm slips on Wednesday, November 17. We ask that you sign and return these slips as soon as possible.

Student attendance is extremely important in the educational process of your child. I would like to remind all parents that pre-arranged absences must be approved through the office in advance. One additional reminder is after ten days total absences, a doctor's note is required. Calling our office promptly when your child is absent has been greatly appreciated.

Have a great Thanksgiving!

Mrs. Carder, Principal
Lincoln Elementary School

Special events to mark on your calendars...

November 3:	After-School Enrichment for 5th grade
