

Flora CUSD #35 Newsletter

Children are our most precious possession.

February 2016

Winter Wonderland/Communication

As the saying goes, if you don't like the weather in Illinois wait a couple of days and it will change. This winter we have went from unseasonably warm weather to the frigid temperatures outside today as I write this. Fortunately, we have avoided the snow and ice but we probably won't be fortunate enough to avoid school cancellations all year. In the event of inclement weather or an emergency situation at the school, we will communicate information in a variety of ways. Below are ways you can receive this information.

Radio Station-Whenever school is cancelled or a schedule change will occur, the notice will be announced on WNOI-103.9.

District Website-The cancellation or schedule change will be posted on the home page as well as the school closing tab on the district website at www.floraschools.com.

e-mail Database-If you are on my e-mail database list, I will e-mail an announcement of the cancellation or schedule change.

Facebook-The announcement of the school closing will also be posted on the Flora CUSD #35 facebook page. To like this page, click on the facebook link at the bottom of the district webpage.

The announcement on whether we will have school or not will be made as soon as possible in order to give plenty of notice to everyone.
