Children are our most precious possession.

June 2017

Where Has the Time Gone?

It seems impossible that another school year is coming to an end and we are heading into June and preparing for the summer events ahead. Throughout the school year, we have again had fantastic support of our schools and students and have once again been shown why we are blessed to be a part of this community. Below are some of the initiatives we have worked on this school year and will be continuing for next year.

- Utilized 2:00 early dismissals to facilitate department/grade level meetings for curriculum alignment.
- Several elective and dual credit additions at high school for 2016-2017 school year.
- Conducted monthly walkthroughs of all facilities to monitor condition and appearance of building and to prioritize building needs.
- Added fitness equipment for students at all buildings.
- Continued textbook replacements.
- Completed new football concession and restroom facility.
- Greatly increased the technology at all buildings.
- Utilized building trades class to begin construction of new, more efficient unit office.
- Increased the materials and availability of the high school library.
- Continued focus on improving the existing buildings and grounds.

The progress that has been made this year couldn't have occurred without the input and support of the community along with the hard work of the Board, staff, and building administrators. We will continue to take strides towards meeting our goals and continually improve to make our school district the best it can possibly be.

Lockers for Sale

This summer we will be replacing a portion of the high school lockers. We will be selling the old lockers in sets of 4 for \$10 per set. The lockers will be sold on Thursday, June 1st and Friday, June 2nd on a first come first serve basis. If you purchase a set of lockers, they must be removed by Saturday, June 3rd at 7:00 p.m. If you are interested in purchasing a set of lockers please contact the unit office at 662-2412.

Important Upcoming Dates:

June 19th-Board of Education Meeting at Unit Office-5:30 p.m.
