Children are our most precious possession.

May 2024

The last part of April and the beginning of May have days/weeks set aside for special recognitions. We are blessed with the best in our district and we want to recognize and thank the following groups:

Administrative Professionals Day: Administrative Professionals Day was April 24th. Our secretaries are the glue that holds our buildings/district together. They are an invaluable part of our team!! Thank you to all of our secretaries!!

Teacher Appreciation: National Teacher Appreciation Week is May 6th - May 10th. This week provides an opportunity to show our appreciation for everything our teachers do for our students and children. Christa McAullife once said, "I touch the future...I teach." While teachers teach students academics, they do so much more. Many of us can probably remember a teacher that we had in the past that inspired us, challenged us, and made learning in his or her class fun.

During teacher appreciation week, I encourage you to thank our teachers for all of their hard work and the extra time they put in to help our students. Although we set aside this week as a tribute to the teachers, I sincerely hope that we show each and every day just how thankful we are for teachers.

School Nurse Appreciation: School Nurse Appreciation Day is May 8th. Someone once described school nurses as: N-Nurturing, U-Unselfish, R-Reliable, S-Strong, E-Essential. Thank you for protecting and strengthening our students' lives. Your impact is felt and appreciated!!
