Chain of Command

The Superintendent shall develop an organizational chart indicating the channels of authority and reporting relationships for school personnel. These channels should be followed, and no level should be bypassed except in unusual situations.

All personnel should refer matters requiring administrative action to the responsible administrator, and may appeal a decision to a higher administrative officer. Whenever possible, each employee should be responsible to only one immediate supervisor. When this is not possible, the division of responsibility must be clear.

The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent must have and maintain a Professional Educator License with a superintendent endorsement issued by the Illinois State Educator Preparation and Licensure Board.

A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.
