Our 3rd grade friends are beginning to think about joining band next year! They are also starting to think about what instrument they would like to play. Using any medium that you would like (materials that are used to make art or create a project), your job is to create something to convince someone to join band!

We will be displaying these at school for the 3rd graders to see!

What are some mediums I can use?	Some ideas:
<ul style="list-style-type: none"><li>-Make a poster</li><li>-Draw a picture</li><li>-Make a collage</li><li>-Make a video</li><li>-Make a short book</li><li>-Write an essay, letter, or short story</li><li>-Write a short play or skit</li></ul>	<ul style="list-style-type: none"><li>-Why your instrument is the BEST instrument</li><li>-Why you think that band is fun</li><li>-Why you enjoy being in band</li><li>-Why you enjoy playing your instrument</li></ul>

You only need to create **1 (one) object**. If you would like to create more than 1, you are more than welcome to! **HAVE FUN AND BE CREATIVE! :)**
